

The following information is designed to help you plan for your wedding ceremony at Good News Church.

### **PASTORAL SERVICES AND SECURING A DATE.**

Your wedding plans should begin with a visit with the pastor. Please contact the pastor in advance of setting your date.

The Pastor will be happy to hear of your plans and to help you get off to a good start. You will have the GNCC philosophy of marriage explained to you and this will be reviewed to make sure you understand what can be expected to happen regarding your wedding.

If you wish to have a pastor other than a GNCC pastor officiate your wedding you will need to provide a copy of that pastor's credentials and contact information to our Pastor at GNCC. Those credentials will need to be verified prior to receiving approval of using GNCC facilities.
